Re: *Giambalvo v. Suffolk County, et al.*
2:24-cv-06103-ST

Your Honor,

I represent the plaintiff, Zachary Giambalvo, in the above-referenced matter.

I write to apologize to the Court for my non-attendance at the telephonic conference scheduled for this morning at 10:00 a.m. At that time, I was before the Hon. James McCarty in the *Matter of Manuel Busto* in Westchester County Supreme Court. Missing the Court's conference was an unintended oversight.

Upon returning to my office, I saw the email sent by counsel at 10:03 a.m. reminding me of today's conference and immediately contacted counsel with an apology. I was informed by counsel that the Court will be issuing a scheduling order, which I await.

Very truly yours,

Amy L. Bellantoni
